

# Enrolling in Mobile Banking.

With Santander Mobile Banking, you can bank anywhere, any time.

## To enroll and log in for the first time to Santander Mobile Banking, follow these simple steps:

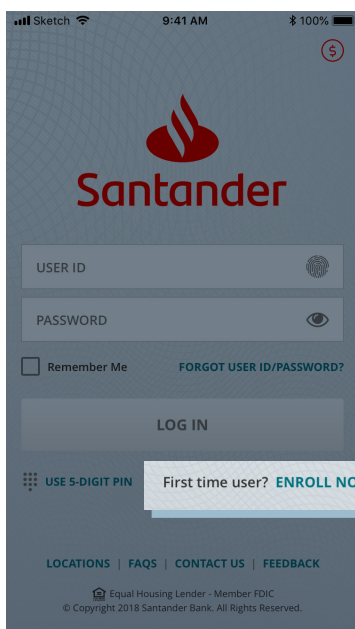

1

Download and open the Santander Mobile Banking App. Remember, it's important to log out at the end of each banking session.

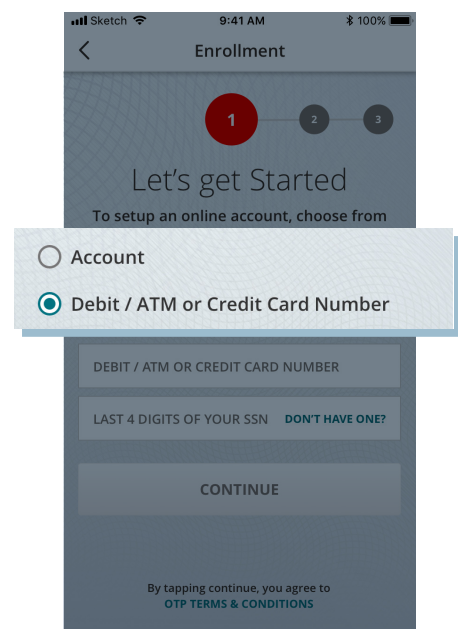

2

Tap **Enroll Now**.

3

You can enroll by using your: Santander Bank account number, Debit, Credit, or ATM Card number.

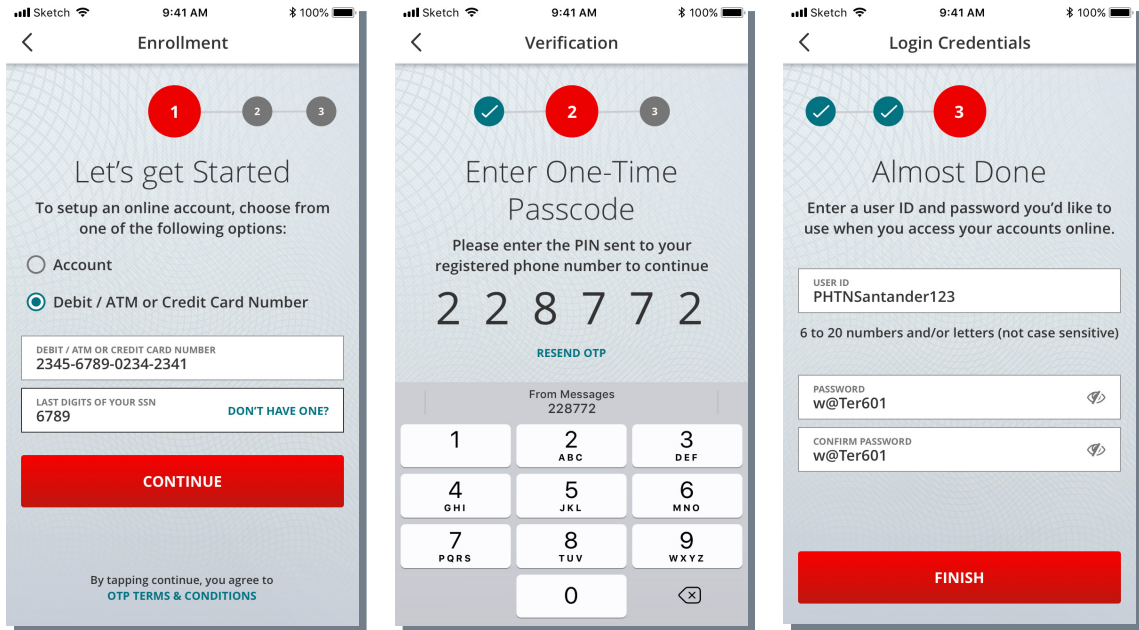

4

Enter the **required information**. Tap **Continue**.

A **One-Time Passcode (OTP)** will be sent to the phone number we have on file. Enter the **OTP**.

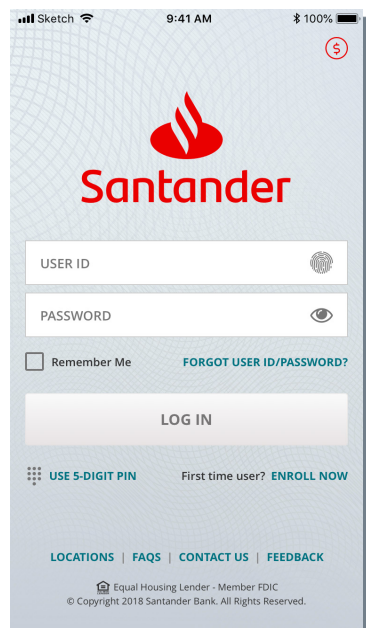

Create your new **User ID** and **Password**. Some special characters are permitted for Passwords (e.g., @, &, !). Click **Finish**.

5

You've **successfully enrolled** in Santander Mobile Banking.

Now, let's log in to Santander Mobile Banking for the first time with your newly created credentials (**User ID** and **Password**).

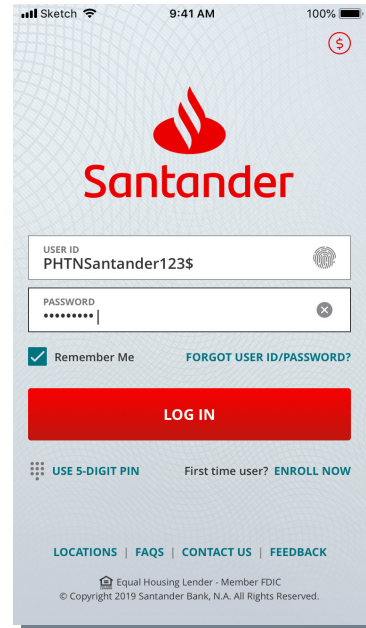

6

Enter your new **User ID** and **Password**.

You may check **Remember Me** for easier login next time.

Click **Log In**.

7

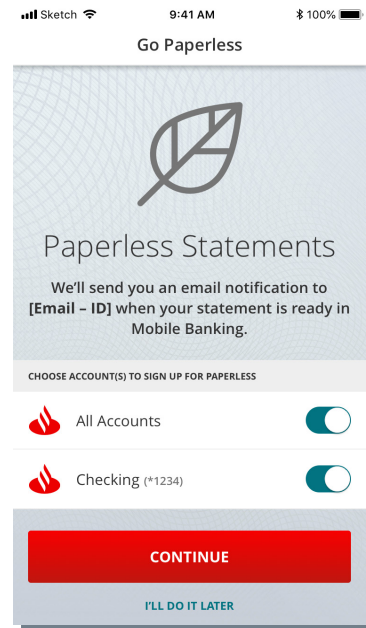

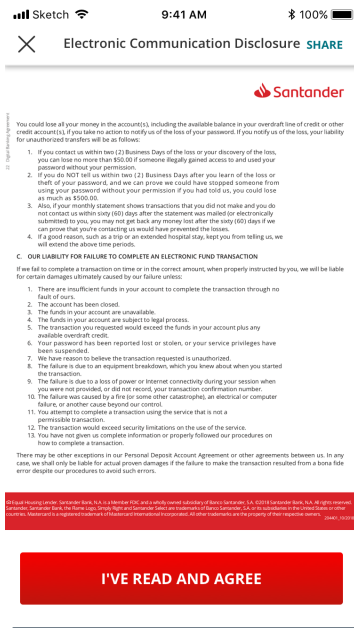

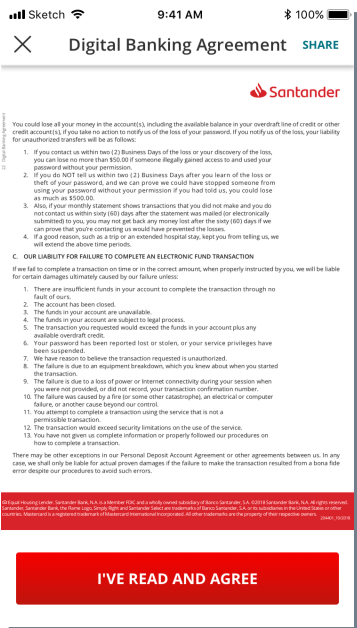

Read and agree to the **Digital Banking Agreement**.

Read and agree to the **Electronic Communications Disclosure**.

Choose your **Statement Preferences**, Paper or Paperless.

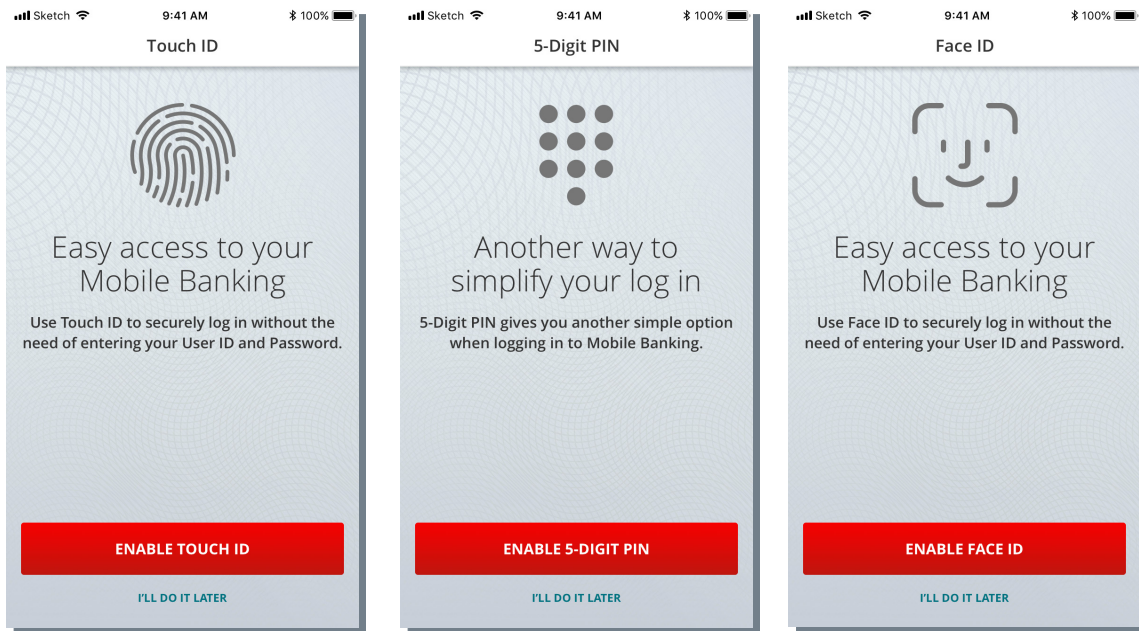

You can always change your Statement Preferences at any time.

Click **Continue**.

6

For a quicker login to your account, you have a choice of features to set up. You can choose:

Touch ID for iOS phones or **Fingerprint** for Android phones.

5- digit PIN.

Face ID if your device allows.

## **Success. It's done.**

Congratulations. Now you can bank on the go. It's just one more way life is simpler with Santander Mobile Banking.
